We are excited to announce that **CMS Cloud** Standard, Plus and Pro additions are now available.

In contrast to [CMS Cloud Basic](#) where you are limited to Contact Information and is integrated with CMS Classic, the Standard, Plus and Pro versions offer many more features and are not dependent on CMS Classic.

These features include: Bills, Payments, Reports, MailChimp Integration, Credit Cards, Recurring Charges, Thank-you letters and more.

Please [create an account to the Public Demo](#) and try it out to see if this option is right for you. If there are any features not yet available in CMS Cloud that is preventing you from upgrading your subscription, please let us know. We will do our best to have them implemented as soon as possible.

CMS Cloud is licensed on a subscription model. Below are the current costs.

	Basic	Standard	Plus	Pro
Maximum Families	N/A	2,000	20,000	100,000
CMS Classic Integration	Yes	No	No	No
Monthly Subscription	\$0	\$49	\$79	\$99

Subscription fees are subject to change.

Use of CMS and CMS Cloud are subject to [terms and conditions](#)
